

Why You Should Consider Austin Baker Ind.

Austin Baker Industries, Inc. was founded in 1962 by the Baker Family and is located in Denton, Texas 30 minutes north of Dallas, Texas. ABI started out in the air conditioning business remanufacturing A/C compressors of all kinds but over the years our business has evolved into now providing and distributing the broadest range of quality aftermarket air conditioning parts at very competitive prices. Today ABI is among some of the most knowledgeable and dependable sources for Automotive Aftermarket A/C Parts.

We are or have been a supplier to; Four Seasons, Ready Aire / Proliance, NAPA, O'Reilly, and other distributors, as well as National Pronto.
